**NARRATIVE:**

Robert Delarosa has an extensive adult criminal history that began at the age of 25. His convictions include transport/sales of narcotic controlled substances, use/under the influence of controlled substances, disorderly conduct, receiving known stolen property, battery on a person, grand theft of a person, burglary, petty theft, assault with great bodily injury likely, terrorist threats, possession of dangerous weapons, exhibiting a deadly weapon, escape from jail, and robbery. He has served multiple incarcerations, the longest being a 4 year term for robbery. Delarosa was released from state prison to the supervision of the Los Angeles County Probation Department on November 3, 2011. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in November 2014 after he absconded from post release community supervision (PRCS). Delarosa qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for transport/sales of narcotic controlled substances is defined as non-serious and non-violent under the California penal code. His prior criminal history and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
